

Portable Sawmills Willing to Perform Custom/Contract sawing in Ohio

The portable sawmills on this list have indicated a willingness to perform custom/contract sawing in Ohio. They are listed at the companies' request as an informational resource only, and their presence in no way constitutes a recommendation or endorsement by The Ohio State University or any cooperating agency. Neither The Ohio State University nor any such agency has reviewed or approved the work or any other aspect of the companies listed and under no circumstances shall The Ohio State University assume responsibility or liability of any kind relating in any way to the actions or omissions of these companies or the use of the information that follows.

Companies desiring to be added to this list should follow the directions at the end of this document.
