### **Malabar Farm State Park**

4050 Bromfield Rd., Lucas, OH

### **Ohio State University - Mansfield Campus**

1760 University Dr., Mansfield, OH

**Join us** for this sweet tour of products from our forests. Visit with a family that has been in the maple business for quite a while. Then tour a sugar operation that is part of Malabar Farm State Park and see how they do outreach on the process of making maple syrup. Last we will take a look at the new maple sap collection system that was installed on the Ohio State University Mansfield Campus in 2019. The system was proposed by a student group project and we will talk about where we go from here.

Lunch will be at Der Dutchman in Bellville and will feature their lunch buffet that includes pie!

Cost is \$40/person and covers the entire tour for the day. There will be opportunities to purchase maple products all along the way. Register online at [woodlandstewards.osu.edu](http://woodlandstewards.osu.edu) or send in the form below.
