

# Why Trees Matter Forum

Come share with your fellow tree people and co-horts.

Why trees matter: aesthetically, economically, environmentally and socially.

## Keynote Speaker

Dr. Barbara Fair

*North Carolina State University, Associate  
Professor, Extension Specialist*

Her expertise lies in woody plant identification and selection, maintenance, and planting. Her research efforts concentrate on soil and water issues in the landscape, as well as field trials directed at specific genera.

**Wednesday October 24, 2018**

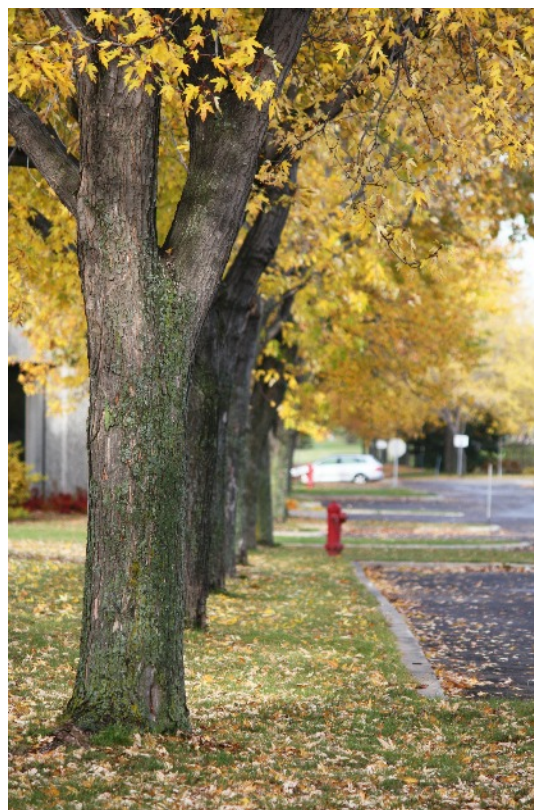

Secret Arboretum - Miller Pavilion  
2122 Williams Road
